

SEFA 35th Annual Meeting

The Omni ChampionsGate, Orlando, Florida
November 1-3, 2023

Title Sponsor

September Newsletter

Before heading off to Dubai for ArabLab 2023 I wanted to share some important dates with all of you.

ArabLab

On Sept. 19th at 11:40 AM (inside the SEFA Theatre) I will be making a presentation entitled "SEFA Year in Review". At the conclusion of my presentation, I will introduce our Reception Sponsor Hamilton Laboratory Solutions. After the trade show ends on September 19th SEFA will host its annual reception from 6 - 9 PM at the Cave Bar located inside the Conrad Hotel. All SEFA members are invited to attend at no charge. It is a great opportunity to relax and meet old (and new) friends after the hectic pace and excitement of the first day at ArabLab. On September 20th at 11:40 AM I will be making a presentation about the SEFA Lab of the Year competition and the projects that were submitted.

2023 SEFA Lab of the Year

Our seven Judges for this year's competition are hard at work evaluating each of the projects (see attached list) submitted this year. They will gather at Columbia University in New York City on September 22nd to make their determinations about the two finalists and other honorees. The finalists will then be invited to attend our annual meeting to present their projects before the Judges announce the overall winner and other honorees.

2023 SEFA Annual Meeting

We currently have over 120 attendees registered for the Annual Meeting taking place November 1 - 3 in Orlando, Florida. Please review the attached list of attendees to make sure we have you listed as an attendee. Due to the highly unusual circumstances of our hurricane disrupted meeting last year, we have included on the registration list anyone who registered for last year's meeting. If you were not able to attend due to the hurricane or left the meeting early, there will be no additional registration fee required. Additionally, any company that was a sponsor or exhibitor last year is automatically listed for this year's meeting at no additional charge. If you are not expected to attend this year or your name is missing from the list please email barbara@sefalabs.com to let her know. **It is important to remember that the last day to make your Omni Hotel reservation is October 2nd and you will only be charged for one night at the hotel if your plans change and you cannot attend.**

Also attached is the list of golfers who have registered for the SEFA Annual golf event. I expect at least 40 golfers to participate. Golf prizes will be awarded at the Thursday night dinner where we will also honor Dana Dahlgren with our Life Time Achievement award.

Finally, there are still some open slots for the Lab Tour at BRIDG NeoCity Research Park on Friday from 1 - 4 PM. Let me know if you would like to attend by responding to this email. I promise to get

you to the Orlando airport no later than 5 PM as a shuttle will take you directly to the airport from the tour site.

I am signing off for now since I don't want to miss my flight to Dubai and the architectural wonders of that quintessential 21st Century city.

All the best and safe travels!

2023 SEFA Lab of the Year Project Entries

	Project	Architect	Lab Planner	MEP Engineer	Construction Mgr	SEFA Member Furniture/Equip Supplier
